

To Users from NAMI

In accordance with the University's guidelines, all users from NAMI must sign an undertaking form when soliciting services from MCPF. From now on, all NAMI users can't submit job requests through MCPF website and must fill in a "MCPF EXTERNAL WORK REQUEST FORM for Government and Industries" together with an "Undertaking MCPF" form when seeking services from MCPF. Both forms can be downloaded in MCPF website using the following link:

Thank you for your cooperation.
